Summary

Passionate about the dynamic world of Information Technology, I am a Computer Applications graduate from D.A.V College, Kanpur Nagar, where I honed a diverse skill set that includes proficiency in Java, C++, and C programming. With a solid academic foundation, I am committed to continuous learning and skill enhancement. My journey has equipped me with the ability to analyze complex problems, develop innovative solutions, and collaborate effectively with teams. As I embark on the path of professional growth, I'm excited to explore new challenges and contribute to the ever-evolving IT landscape.
